To download a new Paytronix software package to your Vx570 terminal from a USB drive, follow these steps:

1. Download Verifone.zip from http://support.paytronix.com/Verifone/Software_DownloadGuides/VX570/ and load onto USB drive.
2. Plug your USB drive into the back of the terminal
3. Press both the F2 and F4 buttons at the same time to enter SYSTEM MODE
4. You will be prompted for a password. It is likely Z66831 (1-alpha-alpha-6-6-8-3-1).
5. Select Download
6. Select File Group 5.
7. It may prompt you again for a password. It will be the same as in step 3.
8. Select Full Download
9. Select USB Flash Memory
10. Select Continue
11. After a few moments, a download complete display will appear. Reboot the terminal, and proceed to configure the store-specific information as given by Paytronix.
